3. ☐ At least one amendment has been filed subsequent to the final rejection, and the brief does not contain a statement of the status of each such amendment (37 CFR 41.37(c)(1)(iv)).

The appeal brief filed 02/13/2006 is found to be defective for the following reasons.

NOTIFICATION OF NON-COMPLIANCE WITH THE REQUIREMENTS OF 37 CFR  
41.37(c)

**37 CFR § 41.37(c) states in part:**

(ix) *Evidence appendix*. An appendix containing copies of any evidence submitted pursuant to §§ 1.130, 1.131, or 1.132 of this title or of any other evidence entered by the examiner and relied upon by appellant in the appeal, along with a statement setting forth where in the record that evidence was entered in the record by the examiner. Reference to unentered evidence is not permitted in the brief. See § 41.33 for treatment of evidence submitted after appeal. This appendix may also include copies of the evidence relied upon by the examiner as to grounds of rejection to be reviewed on appeal.

(x) *Related proceedings appendix*. An appendix containing copies of decisions rendered by a court or the Board in any proceeding identified pursuant to paragraph (c)(1)(ii) of this section.

A review of the application indicates that the following appropriate sections are missing from the appeal brief filed January 18, 2005:

- 1) "Evidence appendix" as set forth in 37 CFR § 41.37(c)(1)(ix); and
- 2) "Related proceedings appendix" as set forth in 37 CFR 41.37(c)(1)(x).

In the appeal brief filed 02/13/2006, both the appendices pertaining to "Evidence appendix" and "Related proceedings appendix" contain the statement, "this page

intentionally left blank". If the intention is to state that no evidence is being relied upon and that no related proceedings exist, such should be clearly indicated in the appropriate appendix.

It is also suggested to the applicant that in the section pertaining to the status of amendments any information pertaining to any after-final amendments submitted should be included. Also, in the arguments section, it is suggested that if the applicants do not intend to present separate arguments concerning the dependent claims, such dependent claims should be grouped with the corresponding independent claim.

**A supplemental appeal brief in compliance with CFR § 41.37 is required.**
